Welcome to Okage Yokochō.  
 Ise is where Japan's most revered gods have been enshrined for over 2000 years.  
 The people in Ise live with a deep appreciation for everything the gods provide for them.  
 Okage Yokochō was created out of that deep sense of gratitude for the gods who inhabit this special place.  
 Okage Yokochō is a recreated town from the Japanese Edo period (1603 to 1867) that gives visitors a glimpse into the rich and bustling life of Ise generations ago.  
 Please take the time to enjoy all that Okage Yokochō has to offer.
